

Our Mission Vision and Values

Mission

To provide excellent health care for the people and communities we serve and to advance health care through education and research.

Vision

Leaders in exemplary care, innovation and academic excellence.

Values

- **Respect:** We will treat every person with dignity and courtesy.
- **Caring:** We will act with concern for the well being of every person.
- **Innovation:** We will be creative and open to new ideas and opportunities.
- **Accountability:** We will create value and accept responsibility for our activities.

Our Strategic Goals

1. We meet or exceed our communities' expectations.
2. We are internationally recognized for the excellence of our patient-centred care, research and education.
3. We have a healthy work environment.
4. We have a sound financial base to sustain our mission and achieve our vision.
5. We create a sustainable and aligned system through action and leadership.
